Your Ceremony

If you're looking at holding your ceremony on beautiful Coolum Beach then you will require a permit through Sunshine Coast Council. Here at Coolum Surf Club we can assist with this by providing the link to the application form and area maps of your chosen location.

Recommendations for celebrants and ceremony locations are also available from our Functions Manager.

We offer our sheltered deck with panoramic ocean views as either a wet weather backup option or as your chosen ceremony location. Prices for hire of this are dependent on the date and time of your ceremony. Our wedding coordinator can offer you a quote should you wish to consider the deck for your ceremony.

Wherever you wish to hold your ceremony our dedicated professional team will be at your side to help create your perfect day.

Your Reception

Here at Coolum Surf Club we are dedicated to making sure your special day is memorable for years to come. We pride ourselves on our friendly, professional service and our ability to create a bespoke package to suit your individual needs.

Our team is passionate about the work they do, Functions Manager Kirstin Martin and her team have many years of experience in wedding coordination and are here to help take some of the pressure off planning your special day. It is, after all, your day and our intention is to help make your dream day come true.

All packages include unlimited wedding co-ordination from our dedicated team of professionals

Our Head Chef and his team of professional chefs create and prepare all dishes to the highest standard from scratch using fresh, local, quality ingredients. If there's any items you wish to modify or if you have a dish in mind that you'd love to have served for your wedding day, then please discuss this with our Wedding Coordinator.

We understand that some guests may have different dietary needs. Providing you let us know prior to the wedding day, our chefs will happily create individual dishes for these guests at no additional cost.

Our Reception Packages are based on a lunch time reception running from 11am to 4pm or an evening reception from 5pm to midnight, should you require your reception to be held outside of these times please discuss this with our wedding coordinator.

It is our pleasure to present you with our reception packages. We're here to answer any questions at all and would love to arrange a time to meet with you to view our beautiful venue and discuss the packages further.
