Your Ceremony

If you want to hold your wedding ceremony on beautiful Coolum Beach (or in the surrounding areas), you will require a permit through Sunshine Coast Council. We can assist you with selecting a ceremony location and applying for the permit by providing the link to the application and area maps of your chosen location.

We can also assist in recommending marriage celebrants, photographers, and wedding planners.

Our expansive deck is also available to book for your wedding ceremony as both your chosen location and as a wet weather backup. Prices for hiring the deck are dependent on the date and time of your ceremony. Your private wedding coordinator can provide you with a quote should you be considering holding your ceremony on our amazing deck.

Wherever you wish to hold your ceremony, our dedicated and professional team will be at your side to help create your perfect day.

Your Reception

Here at Coolum Surf Club, we are dedicated to making sure your special day is memorable for years to come. We pride ourselves on our friendly, professional service and our ability to create bespoke packages that suit your individual needs.

Our team is passionate about the work they do and has many years of experience in wedding coordination. It's our role to take the pressure off when planning your special day. It is, after all, your day, and we intend to help make your dream day come true.

Our head chef and their team of experienced chefs create and prepare all dishes from scratch to the highest standard using fresh, local, quality ingredients. If there are any items you wish to modify or you have a special dish in mind that you would like served on your wedding day, please discuss this with your wedding coordinator.

We understand that some guests may also have different dietary requirements. Our chefs will happily create individual dishes for these guests at no extra cost. Simply let your wedding coordinator know in advance, and we will make this happen.

Our reception packages are based either on a lunchtime reception, running from 11 am till 4 pm or an evening reception from 5 pm onwards. Should you wish for your reception to be held outside of these times, please discuss this with your wedding coordinator.

It's our pleasure to present to you our reception packages. We're here to answer any questions you have, and we would love to arrange a time to meet with you so we can discuss the packages further, and you can view our beautiful venue.
